This Discovery Response Form contains a list of all current ministries of St. Paul. Please complete the form so that we can assist you in finding ways you can serve. A Ministry Opportunity Overview booklet, which gives a description of each ministry and the expected time commitment, is available. The booklet also includes lists of spiritual gifts, abilities, and personality profiles that might be helpful for each ministry. The booklets are available at the Information Center and online at www.stpaulchurch.net. Discovery workshops are presented on a timely basis to help you discern how you might best serve.
